

# HVIA NATIONAL APPRENTICE CHALLENGE

## Eligibility Criteria

- The Competition is open to apprentices enrolled at a Certificate III level in a heavy vehicle mechanical qualification.
- Appropriate courses are (but not limited to):
  - ❖ Certificate III in Heavy Commercial Vehicle Mechanical Technology
  - ❖ Certificate III in Automotive Diesel Engine Technology
  - ❖ Certificate III in Automotive Electrical Technology
  - ❖ Certificate III in Engineering – Mechanical Trade
- Apprentices can be at any stage of their training.
- Apprentices must still be enrolled in their apprenticeship at the time of the Brisbane Truck Show (13-16 May 2021)
- Apprentices of all ages are eligible to enter.
- Apprentices must be nominated by their employer / host employer
- Nomination close on the 26<sup>th</sup> February 2021

Apprentices who already hold a Certificate III mechanical or auto electrical qualification and are undertaking an additional automotive mechanical qualification (dual trade) are not eligible to enter.

HVIA will consider apprentice eligibility if a previous qualification is held but is unrelated to automotive mechanical qualifications.

Eligibility is at the discretion of the Competition Organisers only. All apprentices taking part in the Competition must be nominated by their employer, or their host employer in the case of a Group Training Organisation.
